

World Continents and Oceans

Name: _____

Date: _____

Period: _____

You will need to label the following items on your world map:

- Color the 7 continents different colors. Create a **Key** to identify the continents.
- Label the 4 Oceans and color the Oceans blue. **Never color land BLUE!**
- Create a Compass Rose and label the 4 Cardinal Directions.
- Label the Scale, Equator, Prime Meridian, Tropic of Cancer and Tropic of Capricorn.
- Distortion: Label on the map where distortion occurs and explain why.
